CARE CONNECTION with Tara

At Carolina Caring Foundation, we believe that hospice and palliative care are more than services—they are gifts. Gifts of comfort, dignity, and compassion that continue to support patients and families long after the initial moment of need. Whether it's a child receiving specialized pediatric palliative care through our Cardinal Kids program or a family finding peace during a loved one's final days, these moments are made possible by the generosity of our community.

Each day, our care teams walk alongside individuals facing serious illness, offering not only medical expertise but emotional and spiritual support. This holistic approach is what makes hospice and palliative care so powerful—it's care that honors the whole person and the people who love them.

As we look ahead to fall, we invite you to join us in celebrating and sustaining this mission at our annual **Friends Fore Hospice Golf Tournament**, taking place on **Monday, October 6, 2025**. Held at Catawba Country Club, this event brings together supporters, families, and community partners for a day of fun, fellowship, and fundraising.

Proceeds from the tournament directly benefit Carolina Caring's hospice and palliative programs, as well as primary care and caregiver support services, ensuring that no one faces serious illness alone. Whether you're swinging a club or sponsoring a team, your participation helps us continue offering this gift of care to those who need it most.

Together, we can keep the spirit of caring for our community alive—one story, one family, one gift at a time.

Warmest Regards,
Tara Bland

LIFE ENRICHMENT CAMPAIGN

You Made Moments Like This Possible.

This spring, you helped raise more than **\$14,000** for Carolina Caring's **Life Enrichment Campaign**—giving patients the chance to live fully, even in their final days.

From fishing trips to one last rock concert, your generosity makes dreams a reality. For Steven (pictured left), a retired musician, it meant the joy of live music one more time—a memory he treasured until the end.

Thank you for making these moments possible.

SWINGING INTO ACTION

Celebrating our Friends Fore Hospice Golf Tournament

For nearly 23 years, the Carolina Caring Foundation's Friends Fore Hospice Golf Tournament has brought together golfers, sponsors, and supporters for a day of friendly competition—all to help patients receive care they otherwise could not afford. Thanks to the incredible generosity of our community, this beloved event has raised over **\$1.4 million** to date, making a life-changing difference for those in need.

Over the years, we've added exciting ways to give back, including raffle opportunities that make the day even more fun. Our **50/50 Ball Drop**, introduced last year, was a hit and is back again! Tickets are available now, and the winner will take home half the proceeds, with the other half directly supporting our hospice patients.

This year, we invite you to consider sponsoring the tournament in honor of or in memory of a loved one. It's a meaningful way to celebrate their life while ensuring others receive compassionate care when they need it most.

Friends Fore Hospice is more than just a tournament—it's a community coming together to celebrate life, honor memories, and bring comfort to our neighbors in need. Whether you golf, sponsor, or simply cheer us on, your support ensures that every patient's journey is filled with dignity, compassion, and care.
