“Scattering Joy”

On behalf of Carolina Caring Foundation, thank you for joining us this evening to experience our illuminated campus as we honor those who are most special to us.

As you walk around our campus tonight, notice each luminary as it brightly shines, reflecting the cherished memories that we hold in our hearts with those we love. These luminaries reflect the joy that our loved ones bring to us. We hope each light that is scattered throughout our campus also scatters joy into each of your hearts this season.

Thank you for sharing this evening with us in support of our 6th Annual “Light Up a Life” celebration. We wish you a holiday season that is filled with joy and peace as we enter 2026.

A special thank you to the Riddle family for their gracious gift to make this event possible and teaching us to scatter joy.
